NHS 220rc Standard Line

NHS 220 is by far the most popular NHS woodchipper.

the rc-model is delivered with RoughCut Chipping disc (25 mm. blade projection)

The high-tensile steel ensures a solid and robust construction that does not compromise on flexibility. Despite the strong exterior, the machine has a modest total weight.

NHS 220rc is available with either internal or external hydraulics, NHS InfoCon (Anti-stress, hourcounter and service planner)

- In addition to a superior capacity, it also delivers a unique chip quality.

Standard Line offers a large selection of additional equipment.
